

ClassDojo

Dear Parent or Guardian,

Les Crocodiles is using **ClassDojo** to both **encourage** important skills such as working hard and participating and to track **attendance**.

Les Crocodiles also use ClassDojo to **communicate** with you: we can instantly share messages, updates and photos from class. It's the easiest way for you to see how your child is doing at school and to get in touch with the teacher.

We shall invite you to join the ClassDojo account of your child using the primary email address you have provided during registration. **Please check your email spam folder if you have not received an invite email.** We can add more than one email address. If you wish your partner to join, please send us an email at info@les-crocodiles.org or talk to a Crocodiles member on Saturdays.

ClassDojo is easy to use on any device: it is a simple, **free mobile app** for iOS and Android, and you can also use it on a **computer** at www.classdojo.com

You can find more information on ClassDojo here:

We hope you will find it useful!
